

The historic interest rate drop for the SBA 504 loan program continues!

Last month we mentioned that the 504 loan closing for Unity Care Group had taken place. Unity's loan will be funded through this month's bond sale and Unity will receive a 25 year FIXED note rate of 2.34% with an effective rate of 3.630%. WOW, what a great decision to utilize the 504 program!

Just a quick note on the SBA 504 loan program, the actual funding of the 504 loan does not take place until the project is completed and all Third Party Lender monies have been disbursed. For that reason the borrower needs to get their application submitted as early as possible so funding can take place as soon as possible to take advantage of these low rates. Keep in mind that our interest rates are always lower than what the Third Party Lenders can quote and our rates are fixed for the term of the loan, 10 to 25 years, depending on the use of funds.

The SBA Is Offering Disaster Assistance After Storms and Tornadoes Smash Through the Region

As the cleanup from the Memorial Day tornadoes, we are reposting the following information on where business owners can go for information and assistance.

According to the SBA, as a result of the recent tornado damage, there are counties in Ohio where BOTH physical damage AND Economic Injury loan assistance can be applied for. These were the counties primarily affected. These include Auglaize, Darke, Greene, Hocking, Mercer, Miami, Montgomery, Muskingum, Perry and Pickaway counties.

In a press release, Acting Administrator, Chris Pilkerton, also says "Small businesses and most private nonprofit organizations in the following adjacent counties are eligible to apply only for SBA Economic Injury Disaster Loans: Allen, Athens, Butler, Champaign, Clark, Clinton, Coshocton, Fairfield, Fayette, Franklin, Guernsey, Hardin, Licking, Logan, Madison, Morgan, Noble, Preble, Ross, Shelby, Van Wert, Vinton and Warren in Ohio; and Adams, Jay, Randolph and Wayne in Indiana."

Information that you will find of assistance can be downloaded at the following links:

SES AWARDS / KEYNOTE LUNCH 11:45 AM - 1:45 PM

Climate Change is becoming front and center for all. (Consider the recent weather disaster affecting the Dayton region where 21 Tornadoes touched down on Memorial Day).

***Resiliency** is about how a community can quickly and thoroughly respond to and recover from Climate Change related issues, man-made disasters and systems failures.*

We have assembled a Panel of Industry Experts who will share from three different perspectives how decisions in their sphere of operations and influence are being affected by climate change and what they are planning to be more **Resilient**.

These perspectives will be provided by representatives from:

- Corporate / Business
- Insurance
- Agricultural (Ohio's #1 Industry)

OUR PANELISTS:

Bob Gavin, Risk Manager, **Oswald Companies**. He has over 35 years insurance and risk management experience specializing since 1990 in the area of Architects, Engineers and related design disciplines.

Scott Hassell, Director, Environmental Sustainability for **5/3 Bank**. He has specialties in Sustainability, Energy Policy, Renewable Energy, Climate Change, Environmental Policy. He leads efforts to integrate environmental sustainability into the Bank's culture, strategy, risk management, and beyond.

Fred Yoder, Chairman of **Yoder Ag Services**. He is a fourth-generation farmer from Plain City. He is involved with the Global Climate Smart Agriculture Alliance, which addresses how Ag can be solution partner to climate change and resilience and works with the UN Climate Initiative.

McCall Vrydaghs will serve as the Moderator for the Luncheon Keynote. She is the Chief Meteorologist for **WHIO TV7** and is well recognized for her on-air response guiding the Community safely through the Tornadoes that hit the Dayton area.

Idea sharing takes flight with inaugural City2City trip

Explore and learn with the Dayton Area Chamber of Commerce through City2City, an annual metro exchange trip that invites our business leaders to explore best practices and lessons learned from cities that experience challenges and opportunities similar to the Dayton region. For our inaugural trip, we'll visit Minneapolis-St. Paul to see how the southeastern Minnesota region has embraced its "Twin Cities" status. Through our sister chambers of commerce, you'll get access to executives from companies like 3M, Star Tribune, Mayo Clinic and Taylor Corporation.

Don't wait to register – spots are limited! [Click here to register.](#)
