**ACCESSING ONLINE DATA
USING AMERICAN
FACTFINDER & OTHER
CENSUS TOOLS**

*Tuesday, October 21, 2014 10:30 am - 12:00 pm
in the Centerville Library Program Room*

Join us for a presentation by Mr. Timothy Sarko, U.S. Census Data Dissemination Specialist on how to obtain and use the free information available from the U.S. Census Bureau. Mr. Sarko will demonstrate the American Fact Finder, Community Facts, and Quick Facts databases and include instruction on reading and analyzing the data retrieved. This valuable presentation is geared toward small businesses, nonprofits, and others interested in current demographic information. Register to attend this FREE workshop online at wclibraryinfo/events or by calling 433-8091.
